

Did you know...

...that when you buy your everyday household products including soap, shampoo, body lotion, tooth paste, laundry detergent, furniture polish, general cleaner and more.....

*you can now have the highest quality, non-toxic, **GREEN** products made with luscious natural ingredients, delivered to your door (think – winter on the way!), at wholesale prices, and...*

***Every purchase you make will benefit
Mary's Helpers Ministry !?!***

Mary's Helpers is excited to announce that it has partnered with a 24 year old Inc. 500 Wellness company that has a very generous program to support non-profit organizations.

Many of our members already use their outstanding products and find that they are enjoying better health while creating a safer and cleaner environment in and outside their homes – and saving money.

For more information on how you can help yourself, the planet and Mary's Helpers Ministry...
